Tournament Notes & Rules

The tournament is a four-person scramble format. Each player on a four-person team will have the opportunity to hit every shot. The team will then decide which ball gives them the best chance for a low score and will drop within one club length of that ball. Once on the putting surface, balls may be moved a reasonable distance from the original marker but no more than 6 inches. NOTE: Each player's drive must be used at least 3 times during the round. One club length rule applies to hazards and rough, but balls cannot be moved onto a different surface. Example: If a team chooses to play a ball out of the rough, then the ball can be moved one club length within the rough but not from the rough into the fairway. Par is the highest score on any one hole.

Special Thanks:

To the Dads Club Golf Committee for making this happen. Thank you Cash Hicks, Rob DeVita, Max Cook, Brent Sikes, Dave Piotrowski. Ryan Betz, Brandie Koch and Susan Lynch.
